The meaning of the sign of the eschutcheon of Hagsfeld find two interpretations:

1. It is the personal sign of the settler, who has root the "field" in Hagsfeld or which later the field belong to,

2. the sign is a Germanic runic letter, which had been handed down to at the boundary-stones.

I mean, the second interpretation is better as the first.

VI. The church-records were "delvered" (gerettet, errettet) in the fire of 1944. My dictionary (Langenscheidt) says for "Erretten": save, rescu

VII. Mentzer families in New Holland:

I have looking ober my filing-cards of the family "Meinzer" in Hagsfeld and ~~Rxth~~ Rintheim. I could not found Georg Meinzer, born 21.7.1726.
It is mavy, that this Georg Meinzer came from Baden-Durlach, perhaps fr Knielingen ord Neureut.
Also a Hans Georg Mentzer I could not ~~found~~ find. I have the same view as you, that Georg Meinzer, born 21.Juli 1726 an Georg Meinzer, born 21.Juli 1727 can be identical.
But it remains questions-marks! It will be a task for a especally research in church-records of Neureut, Knielingen or another villages.

VIII. I am delight, that Mr.Dilenschneider is interesting at his german ancestors, who came to America from "Baden-Baden".

Many Americans mean, their ancestors came from "Baden-Baden".
This ist frequently an error.
Baden-Baden is a town in the country Baden in Germany. This town hat earlier the name "Baden". After our registration at the Generallandesarchiv Karlsruhe came the emiigrants not from Baden-Baden, they cames from the county Baden.
It is ~~nessecary~~ necessary, that Mr.Dilenschneider research, from which place in Baden his ancestors came.
But, if he do not know, he can write to

Generallandesarchiv Karlsruhe
D 7500 Karlsruhe
Nördliche Hildapromenade 2

The chruch-records (second copy) from all places in the county Baden from 1810 - 1869 are kept in the Generallandesarchiv.
In the filing-cards of the Generallandesarchiv are many thousands emmigrants and the competent officer Mr.Obert will seek, from which place the ancestors of Mr.Dilenschneider cames.
I send you a printed form for Mr.Dilenschneider.

I will applicable my time for the history of Hagsfeld and not for other things.

Sincerely yours
